PHOTOGRAPHY PACKAGES

Please find below the current commercial photography package rates for Manifeasto Photography. This is for digital photography carried out by Manifeasto Photography.

A purchase order or email needs to be supplied before commencement of any job confirming commission. The client is licensed to use the photography in production of advertising, marketing and collateral material as required directly but is not licensed to give permission for image(s) usage to a third party. Copyright on all images will be the property of Manifeasto Photography.

Quotes will be based on the rates below +10%GST.

Invoices must be paid in full prior to image release unless by prior arrangement.

This rate schedule is current until 1 January 2017 and will be revised after this date.
